Tips and Regulations

- Never leave a child or pet unattended in a vehicle. Although the outside temperature may be mild the interior of a vehicle heats rapidly, even with the windows left slightly open.
- Lock your vehicle and secure all valuables out of sight.
- A handicap license plate or placard does not exempt you from paying parking fees or allow you to park illegally.
- RVs and motorhomes must park in designated spaces and may not park parallel across parking spaces designated for standard vehicles.
- No overnight parking

Main Street Pay-to-Park

Spaces located directly in front of the Uptown shops along Main Street (SR89A) require visitors to pay to park.

- Pay stations accept coins, bills, major credit cards and pay-by-phone apps.
- Pay stations are as easy to use as an ATM, just follow the instructions on the screen.
- Enter your license plate when prompted.
- You may also pay by phone using the **PassportParking** app
 - Available from the App Store or Google Play.
 - There is a 10 cent convenience fee to use the app.
 - Sign up for the app and enter Parking Zone 846 and skip the pay station.
 - A reminder text message option notifies you that your time is about to expire with the option to extend meter time by phone, even without using the app.
 - The cost to park varies with seasonal fluctuations in visitation. The pay schedule will be clearly visible when you park.
